OUR GOALS

Increase Women's Effectiveness in the Cause of Good Government

The **Republican Women of Rutherford County** encourages women to become informed citizens in local, state, and national government. Opportunities abound in the organization for women to be educated, empowered, and engaged in politics.

Promote an Informed Public through Political Education Activity

The **Republican Women of Rutherford County** shares information with the public about local, state, and national candidates by providing dynamic speakers at our monthly meetings and staying up to date on legislation. We offer pamphlets, brochures, informative monthly newsletters, and other written materials to help individuals better understand our government.
